RE: Duplicate Copies of Claims Filed in Mail in Response to Office Action;
Pat Application No. 09/776,498

Dear Examiner Vig,

My correspondence that was apparently received by the PTO on October 21, 2004 has not appeared on the PAIR portion of the PTO website. I am uncertain as to its status and receipt. I have tried to get an answer from you and others at the PTO as to whether my correspondence was actually received as indicated by the USPS. I have not received an answer. I hope and expect that my correspondence was properly received and is being scanned.

However, as a precaution, I now fax the attached amended claims that were previously mailed to you. These claims should be responsive to the previous office action. The mailed application documents were complete and I prefer that you use them, however they are lengthier. In any event, the mailed application documents may be more responsive to the office action, especially if complete copies of the marked and unmarked changes made in previous amendments were required.

These fax documents are identical to the documents that the PTO should have received on October 21, or 22, 2004.

Please call me at 213-383-4380 with questions. Especially please call me if this fax is not sufficient or if I should do something else.

I expect that these procedural matters are not traditionally part of your examining expertise. However I appreciate your patience and time. Thank You.

Sincerely,

John Jensen
